DEAN
The Doctoral School,
Wrocław University of Science and
Technology (WUST)

DOCTORAL APPLICATION
ON THE DOCTORAL SCHOLARSHIP WITH AN INCREASED AMOUNT
FINANCED BY THE UNIVERSITY
In the academic year 20.... /20....

I. DOCTORAL STUDENT DATA:

1. Name, Surname
2. E-mail:
3. Album number:
4. Date of commencement of education at the doctoral school:
5. Discipline of education:.....
6. Year of study:
7. Supervisor/supervisors/ Assistant supervisors:
.....
8. Topic of doctoral dissertation defined in the individual research plan:
.....

II. Presentation of activities and creative research achievements, design, construction, technological, implementation or artistic works directly related to the preparation of a doctoral dissertation, obtained during the last academic year preceding the submitted application for a scholarship.

1. List of publications - articles published in scientific journals or in peer-reviewed materials from international conferences, scientific monographs, chapters in scientific monographs and a list of artistic works registered in the DONA database by the Center for Knowledge and Scientific and Technical Information of the Wrocław University of Science and Technology, in the following format: title, names of all authors, date (month and year) and place of publication, publisher name with ISSN, ISBN or ISAN number, current score including number on the current ministerial list. The list includes only those publications documented in the DONA database, for which the date of registration is not later than the last day of the academic year preceding the submission of the application.
2. List of patents for inventions and protection rights for utility models *directly related to the preparation of a doctoral dissertation at Wrocław University of Science and Technology*, in

the following format: title, names of all authors, date (month and year) of granting, in accordance with the applicable regulation of the minister responsible for higher education and science in on the evaluation of the quality of scientific activity.

3. List of ongoing research, construction or architectural projects, including projects that are design, construction, technological, implementation or artistic works, in which the participation of the doctoral student is related to the preparation of the doctoral dissertation, in the format: symbol, type of grant, title, role of the applicant, financing institutions, gross amount, implementation period.
4. List of publications in conference materials **not listed in point 1**, studies, papers and conference presentations registered in the DONA database by the Center for Knowledge and Scientific and Technical Information of the Wrocław University of Science and Technology, in the format: type of publication, study, paper or presentation (e.g. plenary lecture, oral communication poster), title, names of all co-authors, and in the case of papers and conference presentations with the person presenting in capital letters, the name of the conference / symposium / event, range (national, international), place, date (month and year) and language. ONLY presentations for which the applicant was the main presenter may be submitted.
5. Scientific cooperation with academic or scientific or social and economic centers in Poland and abroad related to the preparation of a doctoral dissertation, in the format: name of the center (city and country), period and result of cooperation with reference to the application specified in this application (study visits, joint publications, patents , etc.). Note: long-term cooperation with a given center is always one cooperation, despite the fact that, for example, several publications have been written. Cooperation with the entire team is one cooperation, it must not be split into separate cooperation with, for example, several members of one team. In the case of a study visit, its length in months should be provided.
6. List of research scholarships awarded under the competition procedure by appointed institutions, giving the date (month and year) and amount, excluding scholarships awarded by the Wrocław University of Science and Technology.
7. List of domestic and foreign awards and distinctions with the date (month and year) and the gross amount, excluding awards and distinctions awarded by Wrocław University of Science and Technology.
8. List and number of citations (excluding self-citations) based on the Web of Science Core Collection database with the date of citation (in the format [cited article] - [citing article] - [publication date of the citing article]). The list for the period of the previous academic year should be attached as an attachment confirmed by the Center of Knowledge and Scientific and Technical Information of the Wrocław University of Science and Technology
